28<sup>th</sup> September 2009

Dear Mr Shabir Hussain and the staff at Akbars: Eastgate,

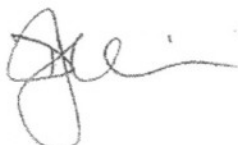

This letter is to thank you for your generosity in supporting a charity auction that we arranged for WellChild and St Gemma's Hospice.

The auction was held on 24<sup>th</sup> September and raised a tremendous £4,347.50 which will be halved equally and shared between the chosen charities. This would not have been possible without your kind support and I would like to thank you, on behalf of NHS Connecting for Health, for your contribution.

I would also like to reassure you that all monies raised have been sent direct to these Charities.

We are holding a raffle later in the year, where any additional monies raised will be forwarded before Christmas. Being in the position to help two such deserving causes has been in no small part due to your support and on behalf of NHS Connecting for Health and the charities themselves, I would like to pass on my sincerest thanks.

With kind regards,

Debbie Chinn  
Director of National Integration Centre

**Well Child** ([www.wellchild.org.uk](http://www.wellchild.org.uk)) is the national charity for sick children. They work to support children and young people throughout the UK as they deal with the consequences of serious illness and complex conditions.

**St Gemma's** ([www.St-gemma.co.uk](http://www.St-gemma.co.uk)) is the largest hospice in West Yorkshire and the fourth largest in England. They provide (completely free of charge) vital specialist medical and nursing care for people with life threatening illnesses, predominantly cancer, along with support for their families. This care and support costs £20,400 for one day.
